***Re: Notice from the California Privacy Protection Agency Regarding Rulemaking
Authority Under the California Consumer Privacy Act of 2018***

Dear Attorney General Bonta:

This letter serves as notice to you that the California Privacy Protection Agency ("Agency") is prepared to assume rulemaking responsibilities under the California Consumer Privacy Act of 2018 ("CCPA"). (Civil Code, § 1798.199.40, subd. (b).) Six months from the date of this notice, rulemaking authority under the CCPA will transfer from your office, the California Office of the Attorney General ("CA OAG"), to the Agency. (*Ibid.*)

The Agency and the CA OAG share enforcement powers under the law, see Civil Code, §§ 1798.199.45-90, and we look forward to collaborating and coordinating with your office to ensure that the CCPA is appropriately enforced.

Very truly yours,
